

Harmonic Healing Workshop

March 5 & 6, 2010

with Yvonne Roza

at *QuietStar*
Center for Transformation

- EVERYTHING IS ENERGY
- EVERYTHING HAS A VIBRATIONAL FREQUENCY
- ANYTHING CAN BE TUNED INTO HARMONY

TUNE THE ENERGY Fields of:

- *Health*
... *Body-Mind-Emotion & Spirit*
- *Events & Environments*
- *Relationships*
- *Pets*
- *Anything that vibrates*

With the tools of mind and heart, along with the power of Hebrew letters, we will learn to tune the frequency of anything into harmony. Normally a harmonically tuned energy field is inaudible. What makes this class unique is that we will be tuning the energy fields of violins, so you will actually be able to hear the difference in vibrational harmony.

Friday evening from 6 to 9 & Saturday from 10 to 5

Cost is \$135- Including nibbles Friday evening

Register by February 19 = 15% discount

Because of the uniqueness of this work, you do not need to be a musician or health practitioner.

However, it is beautifully compatible with any healing modality.

But don't let the simplicity of Harmonic Healing fool you... This work is powerful!
